

## Security Gates

Lincoln Metalcraft realise that your premises need to be safe and secure at all times of day and night, which is why we offer a practical solution to your problems. Our security gates will ensure your premises are safe, giving you the peace of mind to concentrate on other aspects of your business. We can automate your security gate, so all members of staff have to use a security key or number to enter. This monitors your staff activities as we can set up your system so everyone who works for you has a unique number

We can also manufacture double security gates for your vehicular access too, so all access points have a high level of security, depending on your requirements

- All our commercial metal gates are made to measure
- All designs can be custom built to suit your requirements
- We can design and manufacture any gate in a wide range of materials including iron and steel
- We offer a full range of quality finishes
- Enhance plain iron work with scroll panels or floral units
- We can produce precise drawings ensuring you will be happy with the finished product prior to manufacture
- For extra security gates can have back board in various colours
- All our metal gates can be automated
