

Lincoln Metalcraft, was established in 1976 and has been under the present management since 1987, and has continually enjoyed constant success

No job has been considered too small and we offer a full service from manufacture through to full installation and decoration. We can design and manufacture everything from fences to gates to railings and even garden furniture all to your own specification. We offer the most basic of fences to lavish ornamental gates & railings. No job too small and everything is considered so give us a ring today!

We have increased the number of employees so we can maintain our high standards and to service the ever returning customers such as Local Councils, Education Authorities, well known construction companies and all the domestic customers from terraced houses to manor homes.

Please click through our site to see everything we produce, from simple gates and railings to elaborate garden furnishings.

If you require something that you cannot see, please give us a ring and we will be more than happy to answer any queries or questions you have.
